FALL 2023

EVERYBODY HERE HAS A MINISTRY. WHAT'S YOURS?

St. Paul's is a church that welcomes all people and invites them to participate in the sacred work of loving the world in God's name. As a community, we do that in many ways, and this leaflet is designed to introduce you to them.

How might you join in the ministries of this parish? Would you like to be formed more deeply through Bible study or shared contemplative practice? Do you feel called to a ministry of hospitality? Might you serve among those who assist with worship? Take a look at the various ministries of our church and find one or two that interest you. Reach out to the contact person, and let them know that you

would like to know more about that ministry. If you have gifts and ideas that are not already reflected in an existing ministry, let me know, and we can dream together about what new ministries God might be calling us to pursue. Whatever your gifts, St. Paul's is a place where you can use them to God's glory, and we hope that you will join us in doing just that.

Yours faithfully,

The Rev. Evan D. Garner
Rector
