

Newcomer Information Form

We want you and anyone else in your household to be as fully involved in the life of St. Paul's as you would like. Please complete a separate form for each adult in your household and include the information for children living with you below. All personal data will be kept confidential. You may mail or bring the form to the Parish Office or place it in the alms basin on Sunday.

(Please continue on reverse side.)

In the Episcopal Church, membership is by virtue of Baptism. If you have been baptized, you are already a member of the Body of Christ, the universal church. If you would like St. Paul's to become the parish where you live out that baptismal identity, we would be happy to transfer the record of your membership from another church. If you have not been baptized and would like to become a member, please let us know as we would love to celebrate Baptism with you. If you do not wish to be baptized but still want to take part in the life of St. Paul's, please do. You are welcome here regardless.

If you would like your membership transferred, please give the name of church, city, and state of your most recent membership.

Confirmation is a way for individuals who have been baptized to reaffirm the promises that were made at their baptism and to take their full place in the life of the universal church. Confirmation is offered in the spring when the bishop visits St. Paul's, and the Inquirers Class, which is offered twice a year, serves as preparation for Confirmation. In the Episcopal Church, Confirmation is not required for full membership but is necessary for those who wish to serve as a chalice-bearer, a member of the Vestry, or in few other particular ministries. More importantly, it is a way for individuals to publicly affirm their faith in the context of their congregation.
